

JOSSIE BISSSETT

I come from Planet Tickle, you see,
I'm a monster, but not the kind you must flee.
I'm the happiest, silliest, zaniest kind.
My talent is TICKLING,
I think you'll soon find.

TICKLING my lovies is what I do best.
Are you sure you're ready for what's coming next?

I'm all in a **tizzy**, quite **frizzy** and **dizzy**,
My fingers are **squiggly**, your **piggies** are **wiggly**.

JOE BISSET

JOSIE BISSET

I need just a moment, as a matter of factly,
To scheme where I'll **TICKLE** you next exactly.
I'll tell you a secret, you sweet little pea,
It's time to **TICKLE** your...

...cute boney knee!
